that recently expired. The unredacted versions of the reports are being filed separately under seal with the Commission.³

The redacted versions of the reports for the contracts listed in this notice would appear very similar to the redacted report for the customer agreement with serial number NPR2-FY11-NOV10-M-T1-0008, filed in this docket with the Postal Service's notice dated May 3, 2012.⁴ Therefore, the Postal Service requests that the Commission consider the redacted report for the NPR2-FY11-NOV10-M-T1-0008 agreement as representative of the reports that the Postal Service is filing today under seal with the Commission. The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 15, 2010, notice in this docket.⁵

³ The Postal Service informed the customer prior to filing this response that the Postal Service would be seeking non-public treatment of this report and that the customer could file its own application for non-public treatment of these materials in accordance with 39 C.F.R. § 3007.22.
